Message from Worthy Matron & Worthy Patron

Sisters & Brothers –

Well, here we are at the end of my year. It has been a year of challenges and adventures. We lost some of our Vintage Treasures but added Treasures to our membership listings. We scheduled activities and then had to cancel them for one reason or another. However, isn't this what happens in life?

We have a couple of VERY busy months coming up...gatherings on the weekends honoring members on different levels of our Order. We have installations coming up in June throughout our Section. I hope you look at our Calendar of Events at the end of this newsletter and plan on joining us on some of these trips.

I know everyone is also looking at planning their summer activities. If your activity prevents you from attending one of our meeting, please let the Worthy Matron know so she can plan your protem.

May is the month we honor all of our Vintage Treasures that have gone on before us to prepare a place for us. I hope you will plan on attending this meeting. It is always such a special time when we say 'see ya later'!

I will be presenting my end of year report prior to our June meeting. I will supply the popcorn and soda for your enjoyment. So, please plan on coming. There is no telling who or what you will see on my overhead screen.

I would like to especially thank Rilda for loaning me David this year. It is always fun to be in the East with someone else looking to have a good time and promoting our Order in this area.
